

## Spring Show and Sale

Each year, MAA members host a three day show and sale called “Inspirations” at the Manotick Curling Center. This popular and well attended event begins on Friday evening with a Vernissage including live entertainment and refreshments. Admission is free on Saturday and Sunday. As well as providing a venue to showcase our member’s talent and beautiful artwork, this event helps to give back to our community by raising money for the local food bank and another local charity selected each year.

## MAA Galleries

MAA also brightens up locations around Manotick all year round. Members regularly exhibit work at:

- Millers Oven
- Splash Gallery at Ottawa Public Library, Manotick

Run a business with dull walls? Contact us to discuss hanging some work.

We also sponsor other shows... watch [www.manotickart.ca](http://www.manotickart.ca) for details.

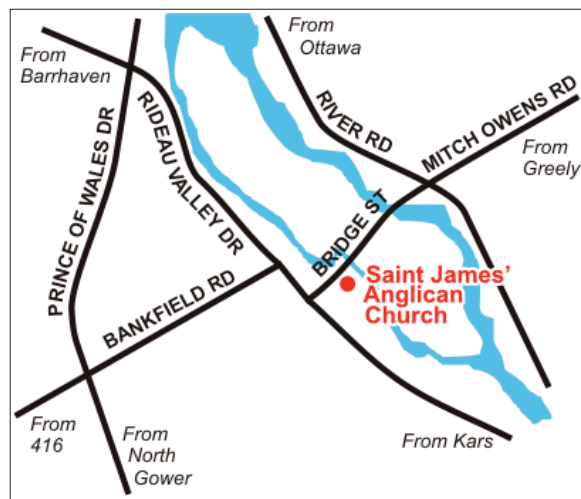

## Meetings

The Manotick Art Association (MAA) holds monthly meetings usually on the first Tuesday of the month from September through June from 7:30 to 9:30 p.m.

Most meetings are at Tomkins Hall (lower level of St. James' Anglican Church, 1138 Bridge Street, Manotick. See map below). There are no meetings in July and August, though there are activities! Get togethers in June and December are potluck socials.

Meetings are always informative and provide an opportunity to socialize with fellow artists. Each meeting begins with announcements of shows, events, workshops, and a welcome to new members followed by a guest speaker, a mini workshop or demonstrations or a critique night. Featured guest speakers cover a wide range of styles and are sure to stimulate you to try something new.

Guests are welcome at any regular meeting. Come out and be inspired!

MAA is a non-profit organization with a mission to support, encourage and foster the development of artists within the Rideau Valley area.

We host regular monthly meetings, workshops, and exhibitions throughout the year. Membership is open to anyone at any level, from beginner to professional.

MAA artists work in a diverse range of visual arts mediums, including oil, acrylic, watercolour, mixed media, encaustic, glass, marquetry and photography.

The MAA is headed by a six-position executive committee and is supported by many volunteers, without whom the organization would not function.
